Using Liquid Notes' LN Live mode

Last Updated: Sep 06, 2018 11:35AM CEST

This article provides information about the live improvisation mode in Liquid Notes, called LN Live.

Quick answer: Watch the tutorial video below for more information on Liquid Notes' LN Live mode.

Setting up Liquid Notes' LN Live mode

LN Live is a mode that allows you to play notes on a MIDI input device or the computer keyboard to a melody in Liquid Notes. The software will adjust your input in real-time, so notes get mapped exactly where you wanted to play them and to the scale you have chosen.

This [video](#) shows the set up process in Liquid Notes:
